One time Set Up Fee	Signage				\$75.00
Hand Truck Attachment					\$125.00
Water Cooler Jug		5 gal			\$50.00
		10 gal			\$68.00

Complies with CAL-OSHA shade requirements for heat stress prevention in outdoor environments.

Frame includes: Powder coated finish, "Synthetic" wood like table and bench material and water jug retainer.

Colors: Our standard color is RAL 9016 series 38 white. We will be happy to provide any series 38 RAL color as a custom color.

Signage: If we supply your sign, it will be laser cut on a 7" x 10" x 11ga. steel plate and can be a combination of graphic and text.

Hand Truck is a wheeled attachment that fits into the hitch receiver that allows the trailer to be easily moved in the field by hand.

Toilet facilities can be towed in tandem behind the shade trailer with a pin hitch or a ball can be attached.

Removable hitch assembly helps to prevent theft of the trailer when left in the field unattended.

The water cooler jug we offer is contractor/field grade and manufactured by Rubbermaid in either 5 gal. or 10 gal. size.

Price is FOB Yolo, CA

# Models
